FOIPA Request No.: 1341616-000  
Subject: GRACE, J. PETER

Dear Ms. Lipton:

In response to your Freedom of Information Act (FOIA) request submitted to the FBI, enclosed are processed documents responsive to your request.

Material consisting of 2 pages has been reviewed pursuant to Title 5, U.S. Code § 552 and this material is being released to you in its entirety with no excisions being made by the FBI.

For your information, records that may be responsive to your FOIA request have been transferred to the National Archives and Records Administration (NARA). You may desire to direct a request to NARA, 8601 Adelphi Road, College Park, MD 20740-6001. Please reference the file numbers 94-HQ-50487, 56-HQ-4868, 62-HQ-109060 and 94-HQ-33727.

For your additional information, records (94-HQ-50447), which may be responsive to your FOIA request, were destroyed on July 22, 2008. Since this material could not be reviewed, it is not known if it was responsive to your request. Record retention and disposal is carried out under the supervision of the National Archives and Records Administration (NARA), Title 44, United States Code, Section 3301 and Title 36, Code of Federal Regulations, Chapter 12, Sub-chapter B, Part 1228. The FBI Records Retention Plan and Disposition Schedules have been approved by the United States District Court for the District of Columbia and are monitored by NARA.

It is unnecessary to adjudicate your fee waiver request because there are no assessable fees. This material is being provided to you at no charge.

Lastly, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

For questions regarding our determinations, visit the [www.fbi.gov/foia](http://www.fbi.gov/foia) website under "Contact Us." The FOIPA Request number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

MEMORANDUM

For Attorney JESUS MA. TRONCOSO S.,  
Secretary of State Without Portfolio.

Subject: Revision of the Sugar Legislation of  
the United States of America.

Because we believe it will be of interest, we  
are enclosing the following data which we have just received  
from New York with regard to this matter:

1. Washington observers have stated that the  
Sugar Legislation will be discussed in the  
Senate immediately after the debates concerning  
the Natural Gas Law are finished. In spite of  
the fact that it was expected that the deliberations  
on the latter Law would end by the end of  
January, it seems that a new vote required will  
not be taken until today (Monday, the 6th).
2. It has been indicated that the State Department  
is not satisfied with the modifications to the  
Law introduced by the Senate Finances Senate.  
The same source informed that Undersecretary  
HENRY F. HOLLAND (who is in Brazil accompanying  
Vice-President NIXON at the inauguration of  
President KUBITSCHKE) has prepared an amendment  
to be submitted to the Senate, with the purpose  
of reducing the quota of Mexico and increasing  
that of Peru.
3. We have also been informed that Mr. PETER GRACE,  
President of the W.R. Grace & Company, a firm  
owned by sugar concerns in Peru, has visited  
President EISENHOWER recently to discuss the  
matter.

4. For your ample information, we are furnishing a table that reflects the quotas of the Dominican Republic and of the two above-mentioned countries, from 1956 to 1962, according to the Bill just as it was passed by the Senate Finances Committee:

<u>Country</u>	<u>Short Tons</u>						
	<u>1956</u>	<u>1957</u>	<u>1958</u>	<u>1959</u>	<u>1960</u>	<u>1961</u>	<u>1962</u>
